

## **BPT's Campaigning Objectives**

- **To safeguard and enhance Bath's architectural heritage and landscape setting**
- **To remove Green Belt extensions from the Core Strategy**
- **To review and where appropriate comment on all LBCs and planning applications affecting the Conservation Area**
- **To encourage good design and the best new architecture and promote BPT's own guidelines**
- **To play a full role in assisting in the development of B&NES SPDs and design codes**
- **To submit consultation responses on relevant B&NES consultations / participate in stakeholder forums on major projects eg MOD sites, Rec, South and North Quays Masterplans**
- **To make a visible contribution to restoration activity in Bath through the World Heritage Site Enhancement Fund**
- **To continue to identify opportunities for promoting appropriate 'green' design in a heritage context**
- **To submit consultation responses on relevant national consultations eg NPPG, permitted development regulations and Select Committee inquiries**
- **To create strategic alliances with e.g. other Preservation and Civic Trusts, National Trust, CPRE etc**
- **To identify opportunities and participate in project partnerships e.g. HLF Landscape Partnership Project, Bath Green Homes, Low Carbon Bath (Warmer Bath).**
