The Trustees believe that the benefits secured by the Trust's proposed land use are greater than any additional detriments (negative elements) arising from them. Do you:

Benefits & detriments assessment [**Neither Agree or Disagree**]

2

If you disagree, could you explain what you believe there are more detriments (negative elements)?

SEE LETTER SENT TO REC TRUST TRUSTEES FOR FULLER EXPLANATION

3

Are there any benefits to the proposals that you believe we have overlooked?

Improved riverside amenity and quality of buildings on leased land, if achieved. Improved governing structure.

4

What additional clubs, societies and/or activities would you like to see available at The Rec, the leisure centre or Lambridge?

None in particular, but infrastructure (toilets, parking etc) should be considered at all sites.
