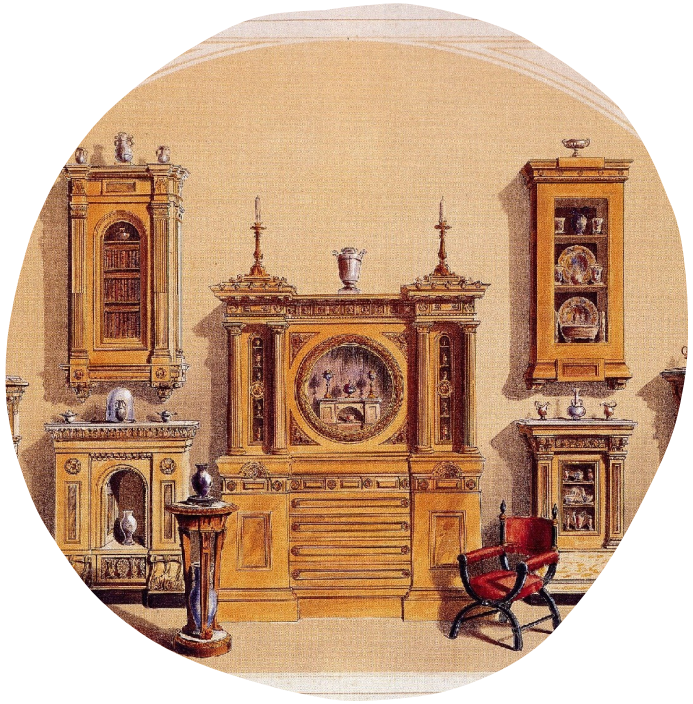
My Collector's Box



William Beckford was a great collector and he kept his treasures in cabinets at Beckford's Tower

Fill in the collectors box on the next page with drawings of the objects that you would collect, then label them like we do in a museum.

Do you collect objects or special things?

What would you collect if you were the richest person in Europe?

How did you get on? Share your results with us on social media or email ryoxon@bptrust.org.uk Please consider donating here
